

# Penticton, British Columbia

\$229,000

One of the best City Lake and Mountain views from this lot in Pineview Plateau, a single family development in Beautiful Penticton, BC. This 20-acre single-family development on the eastern hillside slopes of Penticton provides excellent views of the city and Okanagan Lake and valley. The development features custom, quality built homes, and is conveniently located with nearby access to wineries, skiing, golfing and everything you would expect in a relaxed Okanagan setting. All services at the lot line. Bring your builder and make Partridge Dr your new address! Building scheme in effect to ensure high quality home construction. No timeline to build. (id:6769)
