

871 Lighthouse Landing Summerland British Columbia

Trout Creek

\$675,000

Build your dream home at Light House Landing, only steps from Okanagan Lake and boat launch, in the heart of beautiful Trout Creek. Enjoy amazing lake views and beach access from your own home. The quiet cul-de-sac subdivision is adjacent to Powell Beach, a lovely 8-acre beach & park area featuring tennis courts, beach & picnic areas. This beach is well known to the locals of Trout Creek as being a very swim friendly beach that has a large area of shallow water, floating docks & serene views that look across the lake to the Naramata vineyards. The Okanagan Valley is the warmest area in Canada and well known for its world class wineries and skiing, championship golf courses and an abundance of fresh water lakes. Okanagan Lake is the largest lake in the valley & joins Penticton, Kelowna & Vernon. Make Light House Landing your new address. Building scheme in effect to ensure high quality home construction. Call today for more information. (id:6769)
