

2719 HAWTHORN DRIVE Penticton BC

\$310,000

Panorama View Estates - truly the most spectacular view development in the South Okanagan. Generous size lots with outstanding lake, mountain and city views - second to none. Building plans in place to ensure every property can obtain special views. That's what the south Okanagan is all about! All available lots are serviced and open to all contractors; bring your own builder. All properties back on to recreational green space with miles of hiking and biking trails and access to the Skaha climbing bluffs. Located in the upper Wiltse area, close to schools, orchards, beaches, and minutes to downtown. All lots have been very competitively priced, plans available and ready to go. Start building now! Please contact listing representative for our information package. GST applicable.
