

298 RIGSBY STREET Penticton BC

\$1,349,000

This is a rare development opportunity in Penticton's North End. Recently noted are the infrastructure upgrades being placed on the main artery (Westminster) linking to this street. Rare C6 zoning lends itself to many options including commercial and multifamily. Smaller structure used for storage on property makes this a fairly clean building slate with 3 street access as it borders a residential road and has a back alley along with Rigsby frontage. In the hub of the up and coming neighbourhood you can walk to the SOEC, downtown, and trending cafes and breweries nearby. See duplicate Lot/Acreage MLS 190457.
