

Penticton, British Columbia

Beds: 2 Baths: 2

\$799,900

Rarely offered for sale, this like new lakefront rancher has been updated top to bottom with quality everything and is situated in one of Penticton's most sought after gated communities, complete with an incredible clubhouse, a boat dock, tons of RV parking and surrounded by an easy care yard. This spectacular home has a bright, spacious, open floor plan featuring an enormous living room with huge picture windows overlooking the beach, lake and lights of the valley as well as having an adjacent dining room with stunning lake views and sliders to the expansive beachfront patio. There is a wonderful new kitchen with quartz counter tops and tons of additional storage and the large master bedroom offers a huge walk thru closet as well as a full ensuite. Lots of additional light provided with skylights and vaulted ceilings, and an oversized double garage all add to the tremendous value offered in this Okanagan Lifestyle dream home offered such an incredible price. Lease paid until 2027. (id:6769)
