This is one of those homes that instantly feels special. Set on a huge pie-shaped lot with a walkout basement, it backs directly onto a beautiful pond and walking trail, offering unobstructed sunset views and no direct neighbours across - just water, sky, and space to breathe. Inside, oversized windows and 9-foot ceilings on every level fill the home with natural light, and the layout flows effortlessly around a stunning kitchen with a gas cooktop, large island, and beautiful finishes that open to the great room, perfectly positioned to soak in the views in both directions. Upstairs, the bonus room and primary suite feature elegant coffered ceilings, and the primary retreat has peaceful pond views, a spa-inspired ensuite, soaker tub, glass shower, double sinks, and a walk-in closet that connects directly to the laundry room. With central air, EV charger, solar panels, smart lighting, security, and impressive energy efficiency, this 2-year-old custom-built Jayman home is one of Keswick's best! (id:6769)
